JUNIOR LEAGUE OF PENSACOLA

WHO WE ARE

Since its founding in 1901 by social activist Mary Harriman, The Junior League has evolved into one of the oldest, largest, and most effective women's volunteer organizations in the world, encompassing over 125,000 women in 295 Leagues in four countries. The Junior League actively engages in social reform efforts, identifying problems and finding solutions.

Locally, The Junior League of Pensacola has been a driving force behind the initiatives and institutions that make our community a greater place to live since 1956. Junior League members are dedicated to volunteerism and making a difference in the lives of women, children, and families throughout the Gulf Coast.

For more than 65 years, our mandate has not wavered: to develop exceptionally qualified civic leaders who collaborate with community partners to identify our community's most urgent needs and address them with meaningful and relevant programs that not only improve lives, but also change the way people think. This important work has won us dedicated community partners and loyal supporters as well as an enduring legacy as the foremost provider of civic leadership training for women.
