

Evening in White

SATURDAY | APRIL 27, 2024 | 6PM

The Junior League of Pensacola is excited to present the annual event, Evening in White! This event, known and started in Paris as Dîner en Blanc, is a pop-up blanc-themed picnic where attendees wear their most fabulous white attire. The event inspires chic creativity as guests bring their own picnic baskets and white decor. Evening in White will take over a mystery location in Pensacola, which will remain a surprise until the day of the event.

Proceeds will benefit the Junior League of Pensacola, a women's volunteer organization that strives to empower women through community service.

WHO WE ARE

The Junior League of Pensacola, Inc. is an organization of women committed to advancing women's leadership for meaningful community impact through volunteer action, collaboration, and training. Its purpose is exclusively educational and charitable. The Junior League of Pensacola, Inc. reaches out to women of all races, religions and national origins who demonstrate an interest in and a commitment to voluntarism.

We are empowering Pensacola women by helping them develop civic leadership skills, then giving them the tools to put their unique talents to work in our community!

WHAT WE DO

The Junior League of Pensacola is creating real change in the Gulf Coast by advancing social activism-focused projects that directly benefit our local community! We make a positive impact through effective action and leadership.

When you support the League you actively help us make a difference in our community - we do this by combating diaper insecurity with our Diaper Bank initiative, teaching children in our community about nutrition and healthy habits with our events like Healthy Halloween and Junior Iron Chef, and by empowering our community's women leaders through training, collaboration, and volunteer action.
