

Women's EMPOWERMENT AWARDS

Wednesday, March 8, 2023

The Junior League of Pensacola Women's Empowerment Awards formally recognize and celebrate the outstanding contributions of women and young ladies in the Pensacola area. These awards honor exceptional women of all ages, of diverse cultures and roles, celebrating the power of individuals to spark change and improve their community and beyond.

This year, these sponsorship opportunities will help support the Junior League of Pensacola's Spark Board by allocating a portion of sponsorship as scholarship funding.

The Spark Board provides a foundation of volunteerism and offers the opportunity for Spark Board members to gain an understanding of the impact JULEP has on the Pensacola community, with the opportunity to apply for a \$1,000 JULEP Scholarship. Spark Board consists of high school junior and senior female leaders.
